Eggspress Package

Are you planning an egg freezing cycle or working with a Gestational Carrier who would benefit from holistic fertility care? Maybe you have a cycle coming up in the next couple weeks and are looking to maximize the time you've got to prep for ovulation/retrieval?

This Eggspress Package is designed to optimize your body for egg maturation and uterine environment. Focusing on blood flow and creating balance, these sessions will help you reduce stress, sleep better, reduce side-effects of meds while working to specifically support reproductive function.

The package includes:

- **Initial Acupuncture Consultation**
- **5 Acupuncture Follow-Up Sessions**
- **2 Fertility-Enhancing Massage Sessions**
- **10% Discount on Initial Retail Purchase**

Price: \$700 (\$125 savings!)

Two-month payment plan available
